

KLineStreamI

```
graph BT; binance_KLineStream[binance::KLineStream] --> KLineStreamI[KLineStreamI];
```

A UML class diagram illustrating inheritance. At the bottom is a gray-shaded box labeled 'binance::KLineStream'. A vertical blue arrow points upwards from this box to a white box at the top labeled 'KLineStreamI'. The arrow indicates that 'binance::KLineStream' inherits from 'KLineStreamI'.
